**NOTE A**  
Within the 12-nautical-mile Territorial Sea, established by Presidential Proclamation, some Federal laws apply. The Three-National Mile Line, previously defined as the outer limit of the Territorial Sea, is retained as a boundary to denote the jurisdictional limit of the other laws. The boundary line is defined as the line of the coast of Florida, Texas, and Puerto Rico, and the Three-National Mile Line elsewhere in the world. The boundary line is defined as the line of the coast of Florida, Texas, and Puerto Rico, and the Three-National Mile Line elsewhere in the world. The boundary line is defined as the line of the coast of Florida, Texas, and Puerto Rico, and the Three-National Mile Line elsewhere in the world.
